

Aquametro Oil & Marine Marine Industry

Aquametro Oil & Marine Mission

Aquametro Oil & Marine is the world's leading manufacturer and supplier of volumetric diesel fuel metering and optimization solutions for all kind of oil/diesel driven vehicles and vessels, gensets, diesel-electric locomotives, and marine/river ships.

The Aquametro Oil & Marine product line consists of more than 100 different fuel meters and marine systems, especially designed for vessels, transport vehicles and other heavy machinery used in the marine industry.

The marine industry represents one of the most rugged-use applications. To meet these demands, strong, reliable diesel fuel meters which measure the diesel fuel consumption under all circumstances and environmental conditions are needed.

Aquametro Oil & Marine fuel meters and marine systems are the right choice.
